

Cleveland Regös Csoport Hungarian Scout Folk Ensemble

<http://www.clevelandregos.org>

This year the ensemble is celebrating its 35th Anniversary. In celebration, we are giving a one evening performance November 15th at the Lakewood Civic Center. To fund this grand undertaking, we are asking our friends and the members of the greater Cleveland community to support the efforts of the Ensemble by placing an ad in our program book. Please support this youth education organization.
